1. The license to begin me is me. I am my license. Licentiousness none, I am perfect liberty, purity, integrity, honor. I honor my father in heaven, who I've become, surrendered to, complete. Completing my journey of faith, not, but having compared nothing in this world to what I am, now experiencing, I am all, have become all peoples. Things have nothing in me. I am my father's pet, not; one surrendered puppy not see again, but/though I have made many messes, not; imperfectly I crown myself king, not; I surrendered through faith, though faith made the journey not, possible, possibly, but surrender lit the way/path for me. Faith couldn't see, it was in the way. Surrender cleared all obstacles and light became. I bread became, the table, wine, and cheese crackers, not; chocolate chip cookies, weren't they at first? What ever we had, I was, we used/became the clearest to ten thousand, not; one. In becoming clear to one, most surrendered, more surrender required/requested more surrender. Surrender led to death/life. Surrender led to surrender/crowning the victor; of the spoils, not of war, or, was it, one, in which you participated daily, crown to wear/obtain, not faith'ing it through, but surrendering; dying, to self, everything around you, beggarly elements of this world notwithstanding, you begged, and died. You begged, died. You begged me. Over and over you begged me not to be deceived. You begged for correction to receive my correction. A wayward child you said you did not want to be. Apple pies anyone? Nay, a thousand times you begged for correction, and you didn't stop there. You begged for discipline, MY discipline, my discipline to discipline you. And then fearingly you sought my judgment, not knowing what to expect. You sought it. You LET it come forth, from your angel's wings, not; or, did you? You bought it with money, not; you sought it as fine gold, not of this world/earth. Earth beings didn't understand beggarly elements falling/fading away; into the sunset not but earth valuable not; or, what, why are you doing these things, praying these prayers, writing these letters of restitution, apology, and returning things "owned" for years? And why manifest me, I am power glory and dominion and here you're beggarly, begging, and restitute, destitute of heart/spirit and dying a thousand deaths, not; or did you, ten thousand times? More. I love/did. You did/have. And now crown you wear.

2. They do not understand, did not understand; do not understand, to this day, not; for they shall, all know, and understand not, and not; and some shall scorn the miracles and envy and discard, disdain, and who can be like me, flesh asks.

3. You have overcome. Wear me. Thank you. I am my crown. I have/am all things righteous, glorious, fatherious. I am crown'd, perfectly; perfection is my name/being'state now. I all'righteous am, standing … surrendered ly, before father, my father, your father, our father; one father of all.

4. I have crowned you. Rewired you, not; for wiringless, you formless are/became, now, were. I have restituted/reinstated the formula, not; you died/entered me. Forerunner won, one is your name/being, now, forevermore enter my paradise, your Jubilante'sville, jubilating, celebrating my jubilatorious ones who now vigilantes aren't any longer, but surrenderers are/become/becoming me, all things righteous; understandingsville creating, me. Sought my voice, correction. Desperation desperate'd you, not; surrender did, into the things of surrender. My voice corrected, taught, day after day, scorned, you came, sought me, loved me, cried, and died. A martyrs death, not; or shall we, not; but sacred not, understanding all things/correction now, thou havest my all correction/love, my both are, one, aren't they? Am I not, not. I am. My life. Emanates now, all directions. Directionless never again. I fell and died. Man's has nothing in me. I died to man/this world. Suffering, abandoned, who can/will know my pain, not; my suffering, not; my crown now, all will see. Adoring me some, scorning me some, thinking birthright'itus, not; but who can know the price of molecular disintegration, not; but afield afar'ing, not; but what surrendered puppy'not will be not a puppy, anyone's puppy again?

6. Thou art all shielded from me, molecularly, or what meaneth this shield ingly? Morons not, but what will study do for me, not, but what enter'est? the died state of one most holy, regaining it/dying to molecular statements of fact, not; but misrepresentations of me/fact, that all buy/have bought as fact/reality. Being it, not; they are/can't see themselves, being holy. Looking into glass darkly, reflections in waters, forgetting, forgot, who they are/came from; who they are, in perfection, perfect'd state of one, me! I love you all.

7. You show them. Sell them many things, not; shall you give away the store, the stock and the store? No fig ment, of our imagination distanced us, from being in each other, each other being. I covenant understood, first time, not; being, became, again.

24. I have all power, understanding. Jewels bedeck me/mine life, understand, emanates from/through me, now, forevermore.
